design | furniture | interiors

Imagine for a moment an ideal place: a sumptuous hotel lobby, a chic restaurant or a casual bar. And then ask yourself what would make you feel welcomed, comfortable and relaxed...Yes, you are right. Every detail could make the difference: your chair upholstery, the layer of varnish on the cabinet's carvings, the sleekness of the coffee table, and the solidness of the bar stool.

All the details P&M cares about and stands for. P&M has set extremely high standards and, consequently, the quality of its products exceeds industry norms.

P&M is an experienced company able to develop and manufacture exclusive furniture tailored to specific requirements. Particular attention is given to processing stages and to handmade finishings, as well as to quality of materials. The process is quick, flexible and wholly personalized.

At P&M every new project is unique. For each project relevant factors are over again weighted: concept, functionality, emotion, target groups, design, ergonomics, durability, materials, colour, cost efficiency, ecology etc. The right mix leads us to good results. Quality is no accident but rather the sum of correct weights and good decisions taken by our own team of designers, architects and production specialists who work closely with our clients especially when it comes to turnkey projects. 3D-plans of the custom-made furniture and space interior design are also available. At P&M we are looking for an open and creative partnership with our clients.

Starting from concept and sketches we take into consideration every detail so our clients get eventually the best customized furniture, the right style and desired atmosphere for their hotel, restaurant, inn, bar or cafeteria. All in one to turn a future visitor into a customer and then into a close friend.

Stellen Sie sich für einen Moment einen idealen Ort vor: eine prächtige Hotel-Lobby, ein stilvolles Restaurant oder eine Bar mit zwanglosem Flair. Und dann fragen Sie sich selber, was Sie daran einladend, behaglich oder spannend finden... Ja, Sie haben Recht. Jedes Detail kann einen Unterschied ausmachen: die Polsterung Ihres Stuhls, die Lackierung der Schnitzereien an der Vitrine, der Glanz des Couchtisch und die Stabilität des Barhockers.

Für P&M sind alle Details wichtig und von Bedeutung. P&M hat sich selbst außergewöhnlich hohe Maßstäbe gesetzt und in Folge dessen liegt die Qualität über den Industrienormen.

P&M ist ein Unternehmen mit Erfahrung und in der Lage, exklusive und auf spezielle Erfordernisse zugeschnittene Möbel zu entwickeln und zu fertigen. Die Aufmerksamkeit liegt insbesondere auf den Verarbeitungsschritten und den von Hand gefertigten Oberflächen, sowie auf der Qualität des Materials. Der Arbeitsablauf ist zügig, flexibel und individuell angepasst.

Bei P&M ist jedes Projekt einzigartig. Für jedes Projekt werden die entscheidenden Faktoren neu gewichtet: Konzept, Funktionalität, Emotion, Zielgruppen, Design, Ergonomie Strapazierfähigkeit, Materialien, Farben, Kosteneffizienz, Ökologie etc. Die richtige Mischung führt uns zu guten Ergebnissen. Qualität ist kein Zufall, sondern die Summe richtiger Abwägungen und guter Entscheidungen, die unser Team aus Designern, Architekten und Fertigungsspezialisten treffen, die Hand in Hand mit unseren Kunden arbeiten, insbesondere wenn es schlüsselfertige Objekte betrifft. 3D-Pläne des individuellen Mobiliars und der Inneneinrichtung des Raums sind verfügbar. Bei P&M suchen wir die offene und kreative Partnerschaft mit unseren Kunden.

Ausgehend von einem Konzept und Entwürfen berücksichtigen wir jedes Detail, so dass unsere Kunden schließlich das beste individuelle Mobiliar erhalten, im richtigen Stil und mit dem für Ihr Hotel, Restaurant, Gasthaus, ihrer Bar oder Cafeteria gewünschten Ambiente. Alles, um aus einem zukünftigen Gast einen Kunden zu machen, der zu einem engen Freund wird.

Imaginez pour un moment un endroit idéal : le hall d'accueil somptueux d'un hôtel, un restaurant chic ou bien un bar décontracté. Et puis demandez-vous qu'est-ce qui vous ferait vous sentir bien accueilli, à l'aise et détendu... Oui, vous avez raison. Chaque détail pourrait faire la différence: la tapisserie de votre chaise, la couche de vernis sur la ciselure du mobilier, la ligne élégante de la table à café et la solidité du tabouret de bar.

Tous les détails dont P&M se soucie et qu'il représente. P&M a établi des normes très élevées et, par conséquent, la qualité de ses produits dépasse les normes de son secteur.

P&M est une entreprise expérimentée, en mesure de créer et de fabriquer du mobilier exclusif adapté aux exigences spécifiques. Une attention particulière est accordée aux étapes de traitement et aux finitions à la main, ainsi qu'à la qualité des matériaux. Le processus est rapide, flexible et entièrement personnalisé.

Chez P&M, chaque nouveau projet est unique. Pour chaque projet, les facteurs pertinents sont pesés à maintes reprises: le concept, la fonctionnalité, l'émotion, les groupes cibles, la conception, l'ergonomie, la durabilité, les matériaux, la couleur, la rentabilité, l'écologie etc. La bonne combinaison nous conduit à de bons résultats.

La qualité n'est pas un hasard, mais plutôt la somme des pondérations correctes et des bonnes décisions prises par notre propre équipe de designers, d'architectes et de spécialistes de la production, qui travaillent en étroite collaboration avec nos clients, en particulier quant il s'agit de projets clés en main. Des plans en 3D de mobilier sur mesure et des projets tridimensionnels d'aménagement intérieur sont également disponibles. Chez P&M, nous sommes à la recherche d'un partenariat ouvert et créatif avec nos clients.

À partir du concept et des dessins, nous prenons en considération tous les détails, afin que nos clients obtiennent finalement le meilleur mobilier sur mesure, le style approprié et l'ambiance souhaitée pour leur hôtel, restaurant, auberge, bar ou cafétéria. Tout en un pour transformer un futur visiteur en client, puis en proche ami.

Imagine por un momento un lugar ideal: un suntuoso vestíbulo de hotel, un restaurante elegante o un bar coqueto. Y después pregúntese a si mismo qué le haría sentir bienvenido, confortable y relajado... Sí, tiene razón. Cada detalle podría hacer la diferencia: la tapicería de su silla, la capa de barniz de las tallas de la mueble, la elegancia de la mesa de centro y la robustez de la banqueta alta de bar.

Todos los detalles que P&M valora y representa. P&M ha establecido estándares extremadamente altos y, consecuentemente, la calidad de sus productos supera las normas de la industria.

P&M es una empresa con experiencia, capaz de desarrollar y fabricar mueble exclusiva, adaptada a requerimientos específicos. Particular atención se presta a las etapas de procesamiento y a los acabados hechos a mano, así como a la calidad de los materiales. El proceso es rápido, flexible y completamente personalizado.

En P&M cada nuevo proyecto es único. Para cada proyecto los factores relevantes se miden una y otra vez: concepto, funcionalidad, emoción, grupos meta, diseño, ergonomía, durabilidad, materiales, color, rentabilidad, ecología etc. La mezcla correcta genera resultados óptimos. La calidad no es un mero accidente, sino más bien la suma de los pesos correctos y de las buenas decisiones tomadas por nuestro equipo de diseñadores, arquitectos y especialistas en producción que colaboran estrechamente con nuestros clientes, especialmente cuando se trata de proyectos llave en mano. También están disponibles planes 3D de las muebles por encargo y el diseño del espacio interior. En P&M estamos buscando una asociación abierta y creativa con nuestros clientes.

Partiendo del concepto y de los esbozos, consideramos cada detalle de modo que los clientes obtengan al final la mejor mueble personalizada, el estilo correcto y la atmosfera deseada para su hotel, restaurante, hostal, bar o cafetería. Todo en uno para transformar a un futuro huésped en un cliente y después en un muy buen amigo.

Stel jezelf eens de ideale plek voor: een weelderige hotellobby, een chique restaurant of een aangename bar. En vraag jezelf dan af waardoor jij je echt op je gemak zou voelen, welkom en ontspannen... Ja, u hebt gelijk. Elk detail kan het verschil maken: de bekleding van uw stoel, het laagje vernis op het houtsnijwerk van uw kast, de glans van uw koffietafel, en de stevigheid van de barkruk.

Alle details waar P&M voor zorgt en voor staat. P&M heeft extreem hoge normen en als gevolg daarvan overschrijdt de kwaliteit van onze producten het gangbare niveau in de industrie.

P&M is een ervaren bedrijf dat in staat is om exclusieve meubels te ontwikkelen en produceren aangepast aan specifieke eisen. Bijzondere aandacht wordt geschonken aan de vormgevingsfasen en de handgemaakte afwerking, als ook aan de kwaliteit van de gebruikte materialen. Het proces is snel, flexibel en volledig op maat.

Bij P&M is ieder nieuw project uniek. Voor ieder project worden de relevante factoren steeds opnieuw bekeken: concept, functionaliteit, gevoel, doelgroep, ontwerp, ergonomie, duurzaamheid, materialen, kleuren, kostenefficiëntie, ecologie enz. Kwaliteit is geen toeval, maar eerder de optelsom van correcte inschattingen en goede beslissingen door ons team van ontwerpers, architecten en productiespecialisten die nauw samenwerken met onze klanten, in het bijzonder als het gaat om projecten die kant-en-klaar worden opgeleverd. 3D ontwerpen van de op maat gemaakte meubels en ruimtelijke interieur ontwerpen zijn ook beschikbaar. Bij P&M zijn we op zoek naar een open en creatieve samenwerking met onze klanten.

Vanaf het concept en de schetsen nemen we ieder detail in overweging zodat onze klanten uiteindelijk de beste meubels op maat krijgen, de juiste stijl en de gewenste atmosfeer voor hun hotel, restaurant, pension, bar of cafetaria. Alles in een om een toekomstige bezoeker in een klant te veranderen en uiteindelijk tot een grote vriend te laten verworden.

Imaginați-vă pentru un moment un loc ideal: foaierul somptuos al unui hotel, un restaurant rafinat sau un bar cochet. Gândiți-vă apoi ce v-ar face să vă simțiți bineveniți, destinși și relaxați... Da, aveți dreptate. Orice detaliu contează: tapițeria scaunelor, lustrul mobilierului, luciul măsuței de cafea sau trăinicia scaunelor de la bar.

Toate detaliile pe care le prețuim și care ne definesc. De aceea, P&M și-a autoimpus standarde extrem de înalte, reflectate în produsele finale care devansează normele industriale.

P&M este o companie cu experiență, capabilă să proiecteze și să confecționeze piese de mobilier exclusive și personalizate. Acordăm o atenție deosebită etapelor de prelucrare și finisajelor executate manual, precum și calității materialelor. Procesul este rapid, flexibil și complet personalizat.

Pentru noi, fiecare proiect nou reprezintă o provocare. Factorii esențiali sunt reevaluați pentru fiecare proiect în parte: concept, funcționalitate, emoție, cromatică, rentabilitate, ecologie etc. Combinația optimă generează rezultate superioare. Astfel, calitatea finală nu este un accident, ci mai degrabă suma ponderilor optime și a deciziilor bune luate de echipa noastră, de proiectanți, arhitecți și specialiști în producție; aceștia colaborează strâns cu clientul, mai ales în cazul proiectelor la cheie. De asemenea, punem la dispoziție și planuri 3D ale mobilierului executat la comandă și servicii de amenajări interioare. P&M dezvoltă parteneriate deschise și inovatoare cu clienții săi.

Pornind de la concept și schițe, adăugăm fiecare detaliu astfel încât clientul nostru să beneficieze de cea mai bună soluție personalizată de mobilier, de un stil armonios și de ambianța dorită pentru hotel, restaurant, bar sau local. Toate detaliile converg înspre transformarea viitorului oaspete într-un client, și ulterior într-un prieten apropiat.

COUNTRY STYLE & TRADITIONAL RESTAURANT

COUNTRY STYLE & TRADITIONAL

Enjoy a moment suspended in time! Solid wood comprised in curved lines, stained with dark finish, finely crafted carvings and warm, neutral colours create a space of a graceful elegance that transcends time. A familiar atmosphere of calm and order.

P&M took inspiration from the past to an ageless collection that suits every requirement of elegance, comfort, intimacy and quality. Particular attention is given to individual processing stages and to handmade finishings.

COUNTRY STYLE & TRADICIONAL

¡Disfrute de un momento suspendido en el tiempo! La madera sólida comprimida en líneas curvas, manchada con acabados negros, las tallas trabajadas delicadamente y los colores tibios, neutros, crean un espacio de una elegancia grácil que trasciende el tiempo. Una atmósfera familiar de calma y orden.

P&M se inspiró en el pasado para una colección eternamente joven que satisface cualquier requerimiento de elegancia, confort, intimidad y calidad. Particular atención se presta a las etapas individuales de procesamiento y a los acabados hechos a mano.

COUNTRY STYLE & TRADITIONELL

Genießen Sie einen zeitlosen Augenblick. Massives Holz mit geschwungenen Linien, dunkel gebeizt, mit feinen handgefertigten Schnitzereien und warmen, neutralen Farben schafft einen anmutigen Raum der die Zeit überdauert. Eine vertraute Atmosphäre der Ruhe und Ordnung.

Aus der Vergangenheit zog P&M die Inspiration für eine zeitlose Kollektion, die allen Ansprüchen an Eleganz, Komfort, Vertrautheit und Qualität standhält. Die Aufmerksamkeit liegt insbesondere auf den individuellen Verarbeitungsschritten und den von Hand gefertigten Oberflächen.

COUNTRY STYLE & TRADITIONEEL

Geniet van een moment waarop de tijd even stil staat! Stevig hout gevat in gebogen lijnen, gebeits met een donkere afwerking, fijn houtsnijwerk en warme, neutrale kleuren, creëren een ruimte met een gracieuze elegantie die tijdloos is. Een huiselijke atmosfeer van kalmte en orde.

P&M haalde inspiratie uit het verleden voor een tijdloze collectie die aan iedere eis voldoet voor elegantie, confort, intimiteit en kwaliteit. Bijzondere aandacht is geschonken aan de individuele bewerkings fases en de handgemaakte afwerkingen.

COUNTRY STYLE & TRADITIONNEL

Du bois massif composé de lignes courbes, coloré dans une finition noire, des sculptures finement ciselées et des couleurs chaudes et neutres créent un espace d'une élégance gracieuse qui transcende le temps. Une atmosphère familiale du calme et de l'ordre.

P&M s'est inspiré du passé pour une collection intemporelle qui répond à toutes les exigences d'élégance, de confort, d'intimité et de qualité. Une attention particulière est accordée aux étapes de traitement individuel et aux finitions à la main.

PROJECT

PROJECT

Simple, business, efficient. But not dull. Long before it became a chair or a table, it had been a concept. About adding beauty, comfort and elegance to working places. To create an aesthetic image for the eye, a comfortable sensation for the body and a feeling of joy and satisfaction for the mind.

PROYECTO

Simple, de negocio, eficiente. Pero en absoluto falto de brillo. El concepto había existido mucho antes de convertirse en una silla o una mesa. Sobre cómo añadir belleza, confort y elegancia a los lugares de trabajo. Para crear una imagen estética para el ojo, una sensación confortable para el cuerpo y un sentimiento de alegría y satisfacción para la mente.

PROJEKT

Schlicht, geschäftlich, effizient. Aber nicht langweilig. Lange bevor es ein Stuhl oder Tisch wurde, war es ein Konzept. Dazu, wie Schönheit, Komfort und Eleganz an Arbeitsplätze gebracht werden können. Darüber ein ästhetisches Bild für das Auge zu schaffen, ein komfortables Befinden für den Körper und ein Gefühl des Glücks und der Zufriedenheit für den Geist.

PROJECT

Simpel, zakelijk, efficient. Maar niet saai. Lang voordat het een stoel of een tafel was, was het al een concept. Over het toevoegen van schoonheid, comfort en elegantie aan werkplekken. Om een esthetisch beeld voor de ogen te creëren, een comfortabele sensatie voor het lichaam en een gevoel van geluk en tevredenheid voor de geest.

PROJET

Simple, business, efficace. Mais pas du tout ennuyeux. Bien avant qu'il devienne une chaise ou une table, il fut d'abord un concept. Qui s'agit d'ajouter de la beauté, du confort et de l'élégance aux espaces de travail. Pour créer une image esthétique pour l'œil, une sensation de confort pour le corps et un sentiment de joie et de satisfaction pour l'esprit.

PROIECT

Simplu, business, eficient. Dar nu monoton. Cu mult înainte de a deveni o piesă de mobilier, scaunul sau masa a fost un concept, destinat să aducă frumusețe, confort și eleganță spațiilor de muncă; să creeze o imagine plăcută ochiului, o senzație de confort corpului și un sentiment de bucurie și satisfacție minții.
